:: About SARCE ::

Shiz Annual Red Carpet Event (SARCE) is the building of a collective of emerging and seasoned filmmakers who wish to bring a positive and entertaining spin to the world of cinema. We are open to filmmakers of all genres; to include documentaries, animations, comedy, horror, action, and human interest. It takes a lot of time, energy, money, and creativity to create. This event is to bring forth the hard work we put into our films.

SARCE is hosted by **Shiz, LLC** and **Evolve.Forward.Media Productions, LLC**. Shiz and Evolve.Forward.Media are a veteran and family owned production company. The organizers of SARCE are U.S. military war veterans. The event will showcase all short films produced in 2017 by Shiz, Evolve.Forward.Media, partners and associates of.

SARCE is devoted to all narrative films of all genres that are committed to diversity, authenticity, and show a conscious and curiosity of the world around us. Starting out as a red carpet event, we are now opening our commitment to community and collaboration to many filmmakers. This is not a film festival.

With the success of our first event, February 25, 2017, we feel that we can honor your hard work on a large silver screen in beautiful DCP 4K format with 5.1 surround sound in a stadium seating theater in Kyle TX.

Along with local film makers and film festival organizers, we are building a community. We want to bring everyone together to meet and greet, and enjoy the wonderful talent we have here in Central Texas.

After SARCE, most of us will be hanging out at **Hardihood's Eatery and Drinkery**. There is a full restaurant and bar in this multiplex entertainment center.

A short film adaptation of the Carl Sandburg's public domain poetic offering, 'I Am The People, The Mob'. Non-copyrighted music by Kai Engel, 'Better Way'. I AM THE PEOPLE, THE MOB

I AM the people--the mob--the crowd--the mass.

**Do you know that all the great work of the world is
done through me?**

**I am the workingman, the inventor, the maker of the
world's food and clothes.**

**I am the audience that witnesses history. The Napoleons
come from me and the Lincolns. They die. And
then I send forth more Napoleons and Lincolns.**

**I am the seed ground. I am a prairie that will stand
for much plowing. Terrible storms pass over me.
I forget. The best of me is sucked out and wasted.
I forget. Everything but Death comes to me and
makes me work and give up what I have. And I
forget.**

**Sometimes I growl, shake myself and spatter a few red
drops for history to remember. Then--I forget.**

**When I, the People, learn to remember, when I, the
People, use the lessons of yesterday and no longer
forget who robbed me last year, who played me for
a fool--then there will be no speaker in all the world
say the name: "The People," with any fleck of a
sneer in his voice or any far-off smile of derision.**

The mob--the crowd--the mass--will arrive then.
